

RAINBOW PARISH NOTICES

Sunday 17th June 2018

Third Sunday of Trinity

The Rectory - At the PCC in September 2017 it was agreed to ask the diocese to consider a long term plan for the Rectory in the light of high running and maintenance costs. The Diocese was formally approached to begin the process that would enable all possible options to be explored.

Richard and Merlin met with the Diocese on Thursday 24th May to clarify the next phase of the process. The next step will involve the PCC gathering together suggestions and possible options which will then be considered for viability. The provisional timescale is to discuss the options with the Diocese after the next PCC meeting in July and after that the assessment of their viability will begin. The Diocese stressed once again that they would not move forward on any plan for the Rector's accommodation without the consensus of the PCC.

So if anyone is in Christ, there is a new creation: everything old has passed away; see, everything has become new! (2 Cor 5:17)

A very warm welcome to our services today, particularly to those who are visiting. Please make yourself known and stay afterwards for fellowship. Do take this home for information and prayer or to pass on to someone.
